Dear President,

TEL AVIV BRIDGE FESTIVAL

The Israel Bridge Federation would like to invite players in your national team to participate in the 46th Annual Bridge Festival in Tel Aviv, which takes place from February 2 to 11, 2012.

We offer to cover the accommodation expenses (B&B) for up to 4 players in two double rooms for 6 nights from February 5 to February 10, and entry fees to the tournaments.

Players from about 15 countries are expected to take part in the Festival, with over 350 pairs in the main events with cash prizes totalling €35,000, and we would be pleased to see your team (open, women or juniors), among our guests. As accommodation may be limited we would appreciate hearing from you as soon as possible.

In addition, we would be very happy to welcome bridge players from your country who would like to participate in the Festival at their own expense, and we would appreciate it if you could bring this to the attention of your members.

Further details about the Festival can be found on our web site <http://www.ibf-festival.org>
